But on a subsequent reference from the the Chief Engr enquiring whether the free supply ordered was to be restricted to the Palace proper or the privilege extended to all Palace properties, it was ordered after consulting the Hon'ble Secy, that the free electric supply extended only to the marginally noted 8 Palace properties at Ootacamund & that all others were liable to the payment of the usual charges. The Zoological Gardens Nilgiris were subsequently added to the list. In the consolidated order issued from Br IV in the matter of exemption of Palace properties from taxation, it is accordingly stated that the cost of electric power supplies to all the above 9 properties are debitable to "Genl Administration"

2— The Chief Electrical Engr now enquires whether the cost of electric power supplied to the marginally noted 3 properties at Nilgiris should not also be debited to "Genl Administration". As regards 'Salgeri' the Chief Engr has already been informed in this office no G 1518/ fm 81-11-2 of 9-9-1911 - that it should
